THIS MONTH
in ASHRAE

◆◆◆

We had a great start to a new year with a presentation from Mick Schwedler at our January meeting. Looking ahead to February, Nathan Kegel joins us with some great information on decarbonization systems and load calculations. Don't forget to sign up for that meeting! Registration is officially open for this year's CRC happening in Tulsa, Oklahoma. It will be a great time, our chapter is known for having a big presence and we'd love to see as many people as possible representing our great state. Keep on the look out for more announcements this month as we prepare to plan the spring golf tournament and much more!!

Join us for the 2025 Region VIII CRC in Tulsa Oklahoma!

We are celebrating the Mother Road... Route 66 at the beautiful
Downtown Hyatt Regency!

Start the meeting off with the annual CRC golf outing at the historic Tulsa
County Club.

You can also get your PDHs at the Technical Sessions.

The NEOK chapter will make sure you get your kicks with a Welcome
Reception at Welltown Brewery. Here, you will sample some of Tulsa's
best microbrews, dine on Welltown's infamous nuggies, and compete in
the first ever Region VIII Trivia Night!

Take a break from regional business to hear incoming Society President
Bill McQuade's Presidential Message.

Companions, ditch the convertible and strap on your walking shoes for
Hikes and Spikes, an Art Deco Architectural Walking Tour and a Cocktail
Making and Food Pairing Class!
